FLOORING AND FLOOR ACCESSORIES

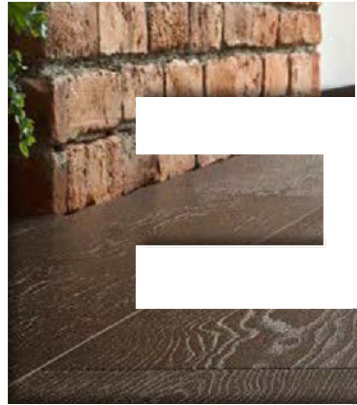

A low-angle photograph of an industrial facility featuring several tall, cylindrical stainless steel storage tanks. The tanks are arranged in a row, with a metal walkway and scaffolding structure visible on the right side. In the foreground, there is lush green vegetation, including a prominent plant with large, heart-shaped leaves and small yellow flowers. The sky is overcast with soft, grey clouds. The text '30 YEARS EXPERIENCE' is overlaid in the center of the image in a large, bold, black font.
